

August 2007

Update on the new girls. Tara is warming up a bit more each day. She is definitely the alpha of the two though. Her eyes still look sad sometimes but she is also very curious about any goings on. We don't believe she likes dogs. She is coming along nicely and is ready for her new home. We have not seen her papers yet, but understand she has quite regal bloodlines. Abbey just likes everything! Somehow the old horses have a way of working their way into your heart. She is beginning to put on a little weight. We were quite fearful at first that the move was too traumatic for her when it looked like she had dropped a few more pounds shortly after arrival. But... they are coming back!

We generally do not adopt out the horses at Misfit Acres. Tara and Abbey are a different situation and we are temporarily housing them. Tara is pretty much ready for a new home but Abbey is not yet. Anyone interested in adopting Tara, please contact us.

Summer is always busy for everyone and we are sure you will agree it is far too short for all the things we all like to do. We have been at some local town festivals and have a few more coming up. We plan to attend Kernel Days in Wells on August 18 and Old Town Summerfest in Mankato on August 25. Stop by and say "Hi", check out the latest merchandise we have gotten in for fundraising, and take a look at our scrapbook. Hopefully, I will have it updated by then.

We will be printing our Fall newsletter toward the end of August. If you would like to receive a copy, please email us with your mailing information or we can e-mail to you as well.

Well, it's official! Tom Krueger of Kruger Entertainment will be joining us at our Fundraiser on October 21. Tom is well known for his comic hypnotist talents. In our phone conversations, he expressed a great love of horses so what better match is this?

And, let's also welcome Fritz "Elvis" Menscher! I hope he knows he will have to sing "Suspicious Minds", my favorite Elvis song! When I watched his video clips on the internet, I was fascinated!

We are hoping the addition of these two performers will make the 2007 "Meet-up" better than ever! Lonesome Ron, M C Express, Tom Kruger, and Fritz will entertain you all afternoon - with no admission fees. Can't beat that!

The rest of the crew is doing well! Montana had a little bout with colic last night but we "talked him out of it". Well actually we walked him out of it. This morning he was up eating hay again like nothing ever happened. Never a dull moment!

In closing this August update, we'd like to remind you that you're are always welcome to give us a call and come to meet the "kids"!

Until September.....

Saving one horse may not make a difference in the whole world, but it will make a world of a difference to that one horse!
